

**FIRST-TIER TRIBUNAL
GENERAL REGULATORY CHAMBER
Information Rights**

Tribunal Reference: EA/2014/0315
Appellant: Conor Casey
Respondent: The Information Commissioner
Second Respondent:
Judge: Peter Lane

DECISION NOTICE

1. In her Case Management Note of 8 January 2015, the Registrar explained in detail why it was proposed, subject to receiving the parties' representations, that the appeal should be struck out as having no reasonable prospect of succeeding. No such submissions have been received (the deadline being 22 January).
2. The appeal is in reality about enforcement of the Commissioner's decision. That is not in law a matter that falls for adjudication by the First-tier Tribunal. Any redress lies elsewhere.
3. The appeal is struck out.
