DECISION

Decision of the tribunal

1. The Tribunal determines to exercise its discretion to dispense with the consultation requirements contained in Part 2 of Schedule 4 to the Service Charges (Consultation Requirements) (England) Regulations 2003.

The application

2. D & G Block Management Limited on behalf of the freeholder of the premises, Pitt Kensington Estate, applied on 23rd September 2019 under s.20ZA of the Landlord and Tenant Act 1985, for dispensation from the consultation requirements contained in Part 2 of Schedule 4 to the Service Charges (Consultation Requirements) (England) Regulations 2003.

Procedure

3. The Tribunal held a case management review of this matter on 18th October 2019 and issued directions on the same date. In those directions it was decided that in view of the nature of the application the matter should be determined on the basis of written representations and without an oral hearing.
4. The Directions gave an opportunity for any party to request an oral hearing. They also gave an opportunity for the Respondents if they wished to oppose the application from the landlord to provide a statement to the Tribunal setting out reasons for so doing. No Respondent has requested an oral hearing, nor has any Respondent objected to the application and therefore the matter is being determined on the basis of the documents provided.

Determination

The Evidence

5. The evidence before the Tribunal indicates as follows:
 - (i) There is a need to replace pipework to the exterior of the building for which scaffolding will be required.
 - (ii) The problem needs to be remedied urgently as there is water ingress to the property. The need for extra works was revealed as original works were being carried out.
 - (iii) The Applicant obtained a number of quotations for the works.

- (iv) Dispensation is required due to the urgent nature of the works.
- (v) The applicant confirmed that direction 5 of the directions had been complied with.

The Law

- (i) The Tribunal is being asked to exercise its discretion under s.20ZA of the Act. The wording of s/20ZA is significant. Subs (1) provides

‘Where an application is made to a leasehold valuation tribunal for a determination to dispense with all or any of the consultation requirements in relation to any qualifying works or qualifying long term agreements, the tribunal may make the determination **if satisfied that it is reasonable to dispense with the requirements**’ (emphasis added)

The tribunal’s decision

- 6. The tribunal determines to grant the application.

Reasons for the tribunal’s decision

- 7. The tribunal considers that the works are necessary and urgent.
- 8. The parties should note that this determination does not concern the issue of whether any service charge costs will be reasonable or indeed payable. The Respondents are able, if it appears to them to be appropriate, to make an application under s.27A of the Landlord and Tenant Act 1985 as to reasonableness and payability.

Rights of appeal

By rule 36(2) of the Tribunal Procedure (First-tier Tribunal) (Property Chamber) Rules 2013, the tribunal is required to notify the parties about any right of appeal they may have.

If a party wishes to appeal this decision to the Upper Tribunal (Lands Chamber), then a written application for permission must be made to the First-tier Tribunal at the regional office which has been dealing with the case.

The application for permission to appeal must arrive at the regional office within 28 days after the tribunal sends written reasons for the decision to the person making the application.

If the application is not made within the 28 day time limit, such application must include a request for an extension of time and the reason for not complying with the 28 day time limit; the tribunal will then look at such reason(s) and decide whether to allow the application for permission to appeal to proceed, despite not being within the time limit.

The application for permission to appeal must identify the decision of the tribunal to which it relates (i.e. give the date, the property and the case number), state the grounds of appeal and state the result the party making the application is seeking.

If the tribunal refuses to grant permission to appeal, a further application for permission may be made to the Upper Tribunal (Lands Chamber).
