LS2 7UE

  - The NHS England must provide the complainant with a response to this request in accordance with its obligations under FOIA.

---

5. On 2 May 2017 the complainant made the following request to NHS England:

"Please provide me with the data you are being sent by GP practices, reporting how often they have paid more than the indicative rate per hour to a locum.

It would be good to get the data by practice and month, if available in that format."

6. NHS England responded has not responded to this request.

### Scope of the case

---

7. The complainant contacted the Commissioner on 20 July 2017 to complain about the way her request for information had been handled.
8. The Commissioner has considered whether NHS England dealt with this request in accordance with its obligations under section 10(1) FOIA.

### Reasons for decision

---

9. Section 10(1) provides that:

*"Subject to subsections (2) and (3), a public authority must comply with section 1(1) promptly and in any event not later than the twentieth working day following the date of receipt."*

10. Section 1(1) provides that:

*"Any person making a request for information to a public authority is entitled –*

*(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and  
(b) if that is the case, to have that information communicated to him."*

11. The request was made on 2 May 2017 and a response has not yet been provided. The Commissioner therefore finds that NHS England breached section 10(1) in failing to respond within 20 working days.
