13. The scope of this notice and the following analysis is to consider whether the Trust has complied with section 10 of the FOIA.

Reasons for decision

14. Section 1 of the FOIA states that:

Any person making a request for information to a public authority is entitled –

- (a) *To be informed in writing by the public authority whether it holds information of the description specified in the request, and*
 - (b) *If that is the case, to have that information communicated to him.*
- 15. Section 10 of the FOIA states that responses to requests made under the Act must be provided, "*promptly and in any event not later than the twentieth working day following the date of receipt.*"
- 16. The Trust did not provide a substantive response to the request within 20 working days of receipt. Therefore, the Commissioner's decision is that the Trust has breached section 10 of the FOIA.
