**GENERAL RULES AND CONDITIONS**

1. Freight transported under this tariff is subject, in addition to the rates named herein, to rules and regulations relating to Car Demurrage as published in Canadian Freight Association Tariff No. 114-D, C.R.C. No. 71, F. W. Thompson, Agent, (C.N.R. No. W. 296-D), supplements thereto and reissues thereof, also to Diverting and/or Reconsigning, Switching and/or Interswitching and other charges, rules or regulations at points of origin, destination or en route, as published in tariffs relating thereto.

2. **Application of Rates**—(a) Rates named herein are export rates, and do not apply as maximum to intermediate points. Rates authorized apply only to countries as shown on title page of tariff when exported by direct vessel upon satisfactory evidence of exportation to such countries. Waybills must show clearly that grain or grain products are for export. The name of the elevator in care of which the grain is shipped must also be distinctly shown on waybills.

(b) All rates named herein to Prince Rupert, B.C., are competitive.

3. Rates named herein include connecting lines' switching charges not in excess of \$6.50 per car on shipments handled direct to elevators or Steamship Dock served by connecting lines at Prince Rupert, New Westminster or Vancouver, B.C.

(T-408—T-4520)

4. (a) Rates named herein on bulk grain are exclusive of unloading, wharfage, elevation, storage and handling charges at New Westminster, Vancouver or Prince Rupert, B.C., also Vancouver Harbour Commissioner's cargo rates at Vancouver, B.C.

(b) Rates named herein on commodities other than bulk grain are entirely exclusive of wharfage, storage and handling charges at New Westminster, Vancouver or Prince Rupert, B.C., also Vancouver Harbour Commissioners' cargo rates at Vancouver, B.C., but will include cost of unloading from cars to pile at wharves or docks, not in excess of forty (40) cents per 2,000 lbs., which shall constitute delivery to ocean carriers; such shipments will be subject to demurrage charges as provided for in terminal tariffs governing export traffic lawfully on file with the Canadian Railway Commission.

5. **Commodities**—Rates on Commodities are specific and must not be applied on analogous articles.

6. **List of Grain and Grain Products on which rates apply:**

**GRAIN**

Barley	Oats	Speltz
Buckwheat	Rye	Wheat

**GRAIN PRODUCTS**

Barley Cleanings	Flour (made from grain only)	Rolled Oats
Bran	Grits	Rolled Wheat
‡Breakfast Foods or Cereals (uncooked) in bags, barrels or cases	Groats	Rye Flour and Meal
Buckwheat Flour	Malt	Shorts
Chopped Feed	Middlings	Sprouts, Barley
	Millfeed	Sweepings and Screenings
	Oathulls	Wheatmeal
	Oatmeal	

‡Breakfast Foods or Cereals, uncooked, i.e., which require cooking before being served as foods, must be described on bills of lading as "Uncooked Cereals," otherwise Classification ratings will be charged.

## GENERAL RULES AND CONDITIONS—Concluded.

## 7. Minimum Carload Weights—

COMMODITY	MINIMUM CARLOAD WEIGHTS		
	When Limit Load, Load Limit, Marked Capacity or Maximum Load is 60,000 lbs. and less than 80,000 lbs.	When Limit Load, Load Limit, Marked Capacity or Maximum Load is 80,000 lbs. and less than 100,000 lbs.	When Limit Load, Load Limit, Marked Capacity or Maximum Load is 100,000 lbs. and over.
Barley.....	60,000 lbs.	80,000 lbs.	100,000 lbs.
Buckwheat, Rye, Speltz, Wheat.....	60,000 lbs.	80,000 lbs.	115,000 lbs.
Oats.....	56,000 lbs.	60,000 lbs.	80,000 lbs.
Grain Products named in Rule 6 other than those enumerated below.....	50,000 lbs. (See Note 1)	50,000 lbs. (See Note 1)	75,000 lbs. (See Note 1)
Flour (made from grain only)—			
In bags.....	50,000 lbs.	50,000 lbs.	100,000 lbs.

Malt.....	50,000 lbs.	50,000 lbs.	75,000 lbs.

**Note 1**—The minimum carload weights specified will apply unless loading capacity of the car is less, in which case the minimum carload weight will be the loading capacity of the car, but not less than:

Bran and Oat Hulls.....	45,000 lbs.
Other Grain Products (except Flour).....	50,000 lbs.

(T-1470)

## 8. Mixed Carloads—

(a) **Mixed Carloads of Bulk Grain**—The bulkheading of cars for the shipment of more than one grade or kind of grain will only be permitted on the understanding that the bulkhead is erected at the expense of the shipper, and without injury to the car, and the payment of a fixed charge of 1 cent per 100 lbs., subject to the minimum carload weight applicable on the shipment or actual weight when in excess of the minimum, in addition to the tariff freight rate thereof. Bulkheads when put in must be so erected as not to interfere with the removal of the grain doors. Charge for bulkheading must be shown on the waybill separately from freight and other charges, and be collected upon delivery of the grain.

**Note**—Charges shown above are applicable regardless of the number of bulkheads erected in the car.

(b) **Mixed carloads of Grain and/or Grain Products** will be taken at the highest minimum weight applicable on any commodity loaded in car.

**9. Through Export Bills of Lading**—Section A—Through export bills of lading for consignments of sacked grain and grain products may be taken out, subject to Section B of this rule, but must be issued at the time and place of shipment, or in exchange for the original domestic bill of lading or shipping receipt within a period of 20 days from date of domestic bill of lading or shipping receipt issued for the consignment.

Section B—Through export bills of lading will be issued only in connection with ocean lines, which have entered into arrangements with this Company for the issuance of through bills of lading.

**SPECIFIC RULES GOVERNING MILLING, MALTING, STORAGE AND CLEANING IN TRANSIT PRIVILEGES APPLICABLE IN CONNECTION WITH THE EXPORT RATES TO NEW WESTMINSTER, VANCOUVER AND PRINCE RUPERT, B.C., SHOWN HEREIN**

1. Shippers desiring transit privileges must submit signed returns (in duplicate) to the railway Agent, due September 15th, compiled to September 1st, and due March 15th, compiled to March 1st, showing the following information:

- (a) Balance in pounds each variety of grain in elevator entitled to transit privilege carried forward from previous period.
- (b) Statement of unused cancellations on hand.
- (c) Receipt by rail each variety since previous report, in pounds, gross weight.
- (d) Local receipt at mill or elevator, in pounds, gross weight.
- (e) Outward shipments by rail on transit, in pounds, gross weight.
- (f) Local deliveries grain or grain products from elevator or mill, in pounds, gross weight.
- (g) Balance entitled to transit privilege, in pounds.

**SPECIFIC RULES GOVERNING MILLING, MALTING, STORAGE AND CLEANING IN TRANSIT PRIVILEGES APPLICABLE IN CONNECTION WITH THE EXPORT RATES TO NEW WESTMINSTER, VANCOUVER AND PRINCE RUPERT, B.C., SHOWN HEREIN—Concluded.**

2. All inward expense bills in excess of balance shown in shippers' statement (Rule 1, Section G), also expense bills which have expired by limitation, must be presented to the railway Agent for cancellation at the end of each period. Railway Agent will endorse same in ink "Not good for milling-in-transit privilege," after which they may be returned to shipper for his records.

3. Railway Agent will, on receipt, send duplicate copy of statement submitted by shipper under provisions of Rule 1, to Chairman, Canadian Freight Association, Winnipeg, Man., after affixing his signature certifying that he has checked the statement with his records, and has cancelled surplus inward expense bills as provided for in Rule 2.

4. The Railway Agent or Inspectors to have access to shippers' inward and outward weight records, invoices, etc., substantiating periodical statements.

5. Under this tariff grain may be shipped to stations in the direct line of transit for milling, malting, storage, cleaning or bagging in transit. The grain when shipped to such intermediate cleaning, storage or milling station, will be charged the current local grain rate; and an equal tonnage of the same kind of grain, or products thereof, will be forwarded at the balance of the through rate in effect on date of original shipment from point of origin of the grain to New Westminster, Vancouver or Prince Rupert, B.C., plus 1 cent per 100 lbs. for extra terminal service at the elevator or mill.

6. The following deductions for waste and shrinkage must be subtracted from inward expense bills on presentation for cancellation:

Barley for malting or sprouting.....20 per cent.

7. When cars are billed to a specified point, and diverted en route to another destination for milling, malting, storage or cleaning, the regular charge for diversion, as named in Tariff C.N.R. No. W. 20-F, C.R.C. No. W. 541, supplements thereto and reissues thereof, will be made.

8. If re-shipment is not made within six months after date of receipt of grain at milling, malting, storage, cleaning or bagging point, regular local rates to and from such point will be charged.

9. It will not be permissible to re-ship one kind of grain, or product of same, outward against inward billing for a different kind of grain; in other words, wheat, or the product of wheat, may not be re-shipped under transit arrangements against inward billing for oats, nor oats, or the product thereof, against inward billing for wheat, etc.

10. On grain handled under transit privileges above outlined, the switching charges of connecting lines, if any, will be collected in addition to the rates named herein.

**CHANGE IN RAILWAY NAME**

The Northern Alberta Railways Company by its Adoption Notice N.A.R. No. 1, C.R.C. No. 1, having taken over tariffs, etc., of

- The Edmonton, Dunvegan and British Columbia Railway Company
- Central Canada Railway Company
- The Alberta and Great Waterways Railway Company
- The Pembina Valley Railway

the Northern Alberta Railways Company is hereby substituted for the E.D. & B.C.Ry., C.C.Ry., A. & G.W. Ry., and P.V.Ry., wherever they appear in this tariff.

Reissued from Supplement No. 15, effective 10th October, 1929.

**GENERAL RULES AND CONDITIONS**

**2-B Cancels 2-A. Application of Rates.**—(a) Rates named in tariff as amended are export rates, and do not apply as maximum to intermediate points. Rates authorized apply only to countries as shown on title page of tariff as amended, when exported by direct vessel, upon satisfactory evidence of exportation of grain or the product thereof to such countries. The name of the elevator in care of which the grain is shipped must also be distinctly shown on waybills.

(T-1406)

(b) All rates named herein to Prince Rupert and Victoria, B.C., are competitive.

(c) The rates named in tariff as amended to Vancouver, B.C., will also apply to North Vancouver, B.C., on the Vancouver Harbour Commissioners Terminal Railway, routing via Vancouver, B.C., and V.H.C.T.Ry.

(T-4582)

Reissued from Supplement No. 5, effective 15th August, 1928.

(d) The rates named in tariff as amended on Bulk Grain to Vancouver, B.C., will also apply to Victoria, B.C.

(T-1525)

Reissued from Supplement No. 4, effective 1st September, 1928.

**3-A Cancels 3.** Rates named herein include connecting lines' switching charges not in excess of \$6.50 per car on shipments handled direct to elevators or Steamship Dock served by connecting lines at New Westminster or Vancouver, B.C.

(T-408—T-4520)

Reissued from Supplement No. 4, effective 1st August, 1928.

**4-A Cancels 4.** (a) Rates named in tariff as amended on bulk grain are exclusive of unloading, wharfage, elevation, storage and handling charges at New Westminster, Vancouver, North Vancouver, Victoria or Prince Rupert, B.C., also Vancouver Harbour Commissioners' cargo rates at Vancouver, B.C.

(b) Rates named in tariff as amended on commodities other than bulk grain are entirely exclusive of wharfage, storage and handling charges at New Westminster, Vancouver, North Vancouver or Prince Rupert, B.C., also Vancouver Harbour Commissioners' cargo rates at Vancouver, B.C., but will include cost of unloading from cars to pile at wharves or docks, not in excess of forty (40) cents per 2,000 lbs., which shall constitute delivery to ocean carriers; such shipments will be subject to demurrage charges as provided for in terminal tariffs governing export traffic lawfully on file with the Canadian Railway Commission.

Reissued from Supplement No. 6, effective 1st September, 1928.

**6-B Cancels 6-A. List of Grain and Grain Products on which rates apply:**

Reissued from Supplement No. 30, effective 15th July, 1931.

**SPECIFIC RULES GOVERNING MILLING, MALTING, STORAGE AND CLEANING IN TRANSIT PRIVILEGES APPLICABLE IN CONNECTION WITH THE EXPORT RATES TO NEW WESTMINSTER, VANCOUVER, NORTH VANCOUVER, VICTORIA AND PRINCE RUPERT, B.C., SHOWN IN TARIFF AS AMENDED**

**5-A Cancels 5.** (a) Under this tariff grain may be shipped to stations in the direct line of transit for milling, malting, storage, cleaning or bagging in transit. The grain when shipped to such intermediate cleaning, storage or milling station, will be charged the current local grain rate; and an equal tonnage of the same kind of grain, or products thereof, will be forwarded at the balance of the through rate in effect on date of original shipment from point of origin of the grain to New Westminster, Vancouver, North Vancouver or Prince Rupert, B.C., plus 1 cent per 100 lbs. for extra terminal service at the elevator or mill.

(b) Under this tariff grain may be shipped to stations in the direct line of transit for storage or cleaning in transit. The grain when shipped to such intermediate cleaning or storage station, will be charged the current local grain rate; and an equal tonnage of the same kind of grain will be forwarded at the balance of the through rate in effect on date of original shipment from point of origin of the grain to Victoria, B.C., plus 1 cent per 100 lbs. for extra terminal service at the elevator.

Reissued from Supplement No. 6, effective 1st September, 1928.

•••Eliminate "from stations Edson, Alta., and east thereof".

•••Eliminate Prince Rupert, B.C.

**RULES AND CONDITIONS**

**Application**

1. Rates in this Tariff are export rates and do not apply as maximum to intermediate points. Rates authorized apply only to countries as shown on title page of Tariff when exported by direct vessel, upon satisfactory evidence of exportation to such countries.

**Waybills must be drawn on Vancouver Wharf or Westminster and show clearly that grain or grain products are for export. The name of the elevator in care of which the grain is shipped must also be distinctly shown on waybills.**

C.F.A. 3808

66806-66847

**Wharfage, Handling, etc., at Vancouver or Westminster, B.C.**

2. (a) Rates named in Tariff on bulk grain are exclusive of unloading, wharfage, elevation, storage and handling charges at Vancouver or Westminster, also Vancouver Harbor Commissioners' harbor rates at Vancouver, B.C.

(b) Rates named in Tariff on commodities other than bulk grain are entirely exclusive of wharfage, storage and handling charges at Vancouver or Westminster, also Vancouver Harbor Commissioners' harbor rates at Vancouver, B.C., but will include cost of unloading from cars to pile at wharves or docks, not in excess of forty (40) cents per 2000 lbs., which shall constitute delivery to ocean carriers; such shipments will be subject to demurrage charges as provided for in Terminal Tariffs governing export traffic lawfully on file with the Canadian Railway Commission.

59107-66901-61703

**Shipments of Bulk Grain**

3. Shipments of Grain and Grain Products must not be accepted for export without authority from Foreign Freight Agent, Vancouver, B.C.

59107

**Switching Charges of Connecting Lines**

4. Rates named in Tariff will include connecting lines' switching charges on shipments, in packages, handled to ☉ Alberta Pacific Pier Corporation Limited, Kingsley Navigation Company Dock, Great Northern Railway Docks and ♣ Vancouver Harbor Commissioners' Wharf (Ballantyne Pier) at Vancouver, B.C., and Steamship Docks at Westminster, B.C.

59107-61408-80702

☉ Formerly Lapointe Pier, operated by Vancouver Harbor Commissioners.  
♣ Change—Denotes neither increase nor reduction.

**RULES AND CONDITIONS—Continued**

**Through  
Export Bills  
of Lading**

5. Section A—Through export bills of lading for consignments of sacked grain and grain products may be taken out, subject to Section B of this rule, but must be issued at the time and place of shipment, or in exchange for the original domestic bill of lading or shipping receipt within a period of 20 days from date of domestic bill of lading or shipping receipt issued for the consignment.

Section B—Through export bills of lading will be issued only in connection with ocean lines, which have entered into arrangements with this Company for the issuance of through bills of lading.

## RULES AND CONDITIONS—Continued

### 7. Milling, Malting, Storage, Cleaning and Bagging-in-Transit Privileges.

**Shippers'  
Returns to  
Railway Agent**

(1) Shippers desiring transit privileges must submit signed returns (in duplicate) to the Railway Agents, due September 15th, compiled to September 1st, and due March 15th, compiled to March 1st, showing the following information:

(a) Balance in pounds each variety of grain in elevator entitled to transit privilege carried forward from previous period.

(b) Statement of unused cancellations on hand.

(c) Receipt by rail each variety since previous report, in pounds, gross weight.

(d) Local receipts at mill or elevator, in pounds, gross weight.

(e) Outward shipments by rail on transit in pounds, gross weight.

(f) Local deliveries grain or grain products from elevator or mill, in pounds, gross weight.

(g) Balance entitled to transit privileges, in pounds.

**Cancellation  
Expense Bills**

(2) All inward expense bills in excess of balance shown in shippers' statement (Paragraph 1, Section (g)), also expense bills which have expired by limitation, must be presented to the Railway Agent for cancellation at the end of each period. Railway Agent will endorse same in ink, "Not good for Milling-in-Transit privilege," after which they may be returned to shipper for his records.

**Duplicate  
Statement to  
be forwarded  
F. W. Thomp-  
son, Secy.  
Can. Freight  
Association**

(3) Railway Agent will, on receipt, send duplicate copy of statement submitted by shipper under provision of Paragraph 1 to F. W. Thompson, Secretary of the Canadian Freight Association, Winnipeg, after affixing his signature certifying that he has checked the statement with his records, and has cancelled surplus inward expense bills, as provided for in Paragraph 2.

**Access to  
Shippers'  
Records**

(4) The Railway Agent or Inspector to have access to shippers' inward and outward weight records, invoices, etc., substantiating periodical statements.

**Charges for  
Extra  
Terminal  
Service**

(5) Under this tariff grain may be shipped to stations in the direct line of transit for milling, malting, storage, cleaning or bagging in transit. The grain when shipped to such intermediate cleaning, storage or milling station, will be charged the current local grain rate; and an equal tonnage of the same kind of grain, or products thereof, will be forwarded at the balance of the through rate, in effect on date of original shipment from point of origin of the grain to Vancouver or Westminster, B.C., plus 1 cent per 100 lbs. for extra terminal service at the elevator or mill.

47066

If the export rate named herein from point of origin of grain to Vancouver or Westminster, B.C., is less than the local rate from point of origin to cleaning, storage or milling station, and grain or product thereof is re-shipped within six months in accordance with the above, refund will be made to shipper, allowing the difference between the local rate and the export rate, less 1 cent per 100 lbs. for the terminal service at the elevator or mill. Agents will apply to Freight Claims Auditor for clearance of their outstanding.

22408

**Waste and  
Shrinkage**

(6) The following deductions for waste and shrinkage must be subtracted from inward expense bills on presentation for cancellation:

Barley, for malting or sprouting ..... 20 per cent.

**Diversion**

(7) When cars are billed to a specified point, and diverted en route to another destination for milling, malting, storage, cleaning or bagging, the regulations and charges for diversion, as per Tariff C.P.Ry. No. W. 5650, C.R.C. No. W. 2829, supplements thereto or reissues thereof, will apply.

**Re-shipment**

(8) On re-shipment of grain or products thereof under the conditions outlined herein (as per list under the head of Commodities on page 6) the receipted expense bills on the inward shipment must be **taken up and cancelled**.

On the **Outward Waybill** particulars covering inwards shipments must be shown as follows:

Shipping point.

Date of Expense Bill covering inwards shipment.

Waybill number.

Car number.

Description of Commodity.

Tonnage Cancelled.

**This description is necessary in connection with paragraph 10, page 8.**

(Continued on next page)

**RULES AND CONDITIONS—Concluded**

**7. Milling, Malting, Storage, Cleaning and Bagging-in-Transit Privileges—Concluded.**

**Time Limit for Re-shipment**

(9) If re-shipment is not made within **six months** after date of receipt of grain at milling, malting, storage, cleaning or bagging point, regular local rates to and from such point will be charged.

54132

**Re-shipment one kind of Grain against Inwards Billing for a different kind Switching**

(10) It will not be permissible to re-ship one kind of grain or product of same, outwards against inwards billing for a different kind of grain; in other words, wheat, or the product of wheat, may not be re-shipped under transit arrangements against inwards billing for oats, nor oats, or the product thereof, against inwards billing for wheat, etc.

(11) On grain handled under transit privileges above outlined the switching charges of connecting lines, if any, will be collected in addition to the rates named herein.

C.F.A. 2301—24490

**Charges for Bulk-heading Mixed Carloads of Bulk Grain**

8. The bulk-heading of cars for the shipment of more than one grade or kind of grain will only be permitted on the understanding that the bulk-head is erected at the expense of the shipper and without injury to the car, and the payment of a fixed charge of 1 cent per 100 lbs., subject to minimum carload weight applicable on the shipment or actual weight when in excess of the minimum, in addition to the tariff freight rate thereon. Bulk-heads when put in must be so erected as not to interfere with the removal of the grain doors. This charge must be shown on the waybill separately from freight and other charges and be collected upon delivery of the grain.

**Note.**—Charges shown above are applicable regardless of the number of bulk-heads erected in the car.

C.F.A. 4504

70059

**Prepayment of Freight Charges**

9. Freight charges must be prepaid when regulations of Canadian Freight Classification require it; also on all shipments to stations where there is not an Agent, as shown by Official Distance Table C.P.Ry. No. W. 5100, C.R.C. No. W. 2738, supplements thereto or reissues thereof.

**Inspection of Bulk Grain**

10. Under Order-in-Council No. P.C. 1182, effective 1st July, 1920, all carload grain (when in bulk) shipped from, destined to or passing through Calgary, Alta., is subject to inspection under the Canada Grain Act. Fee for inspection being \$1.00 per car, on all such grain. Agent **at shipping point** must waybill, "Inspection fee \$1.00". This fee must be shown as a **separate item in freight column**.

Under Order-in-Council No. P.C. 1709, effective 1st October, 1924, all carload grain (when in bulk) shipped from, destined to or passing through Edmonton or Strathcona, Alta., is subject to inspection under the Canada Grain Act. Fee for inspection being \$1.00 per car, on all such grain. Agent **at shipping point** must waybill "Inspection fee \$1.00". This fee must be shown as a **separate item in freight column**.

Agents at Inspection points must see that on all Waybills destined to or passing through their stations, the inspection charge is shown, failing which they will insert same.

Refer to Pages 5 to 8 inclusive of Tariff as amended and amend as follows:

**RULES AND CONDITIONS**

Switching Charges of Connecting Lines

**4-B Cancels 4-A.** (a) Rates named in Tariff and as amended will include connecting lines' switching charges on shipments, in packages, handled to Kingsley Navigation Company Dock, Great Northern Railway Docks and Vancouver Harbour Commissioners' Piers at Vancouver, B.C., and Steamship Docks at Westminster, B.C.

77350-80702-92337

Eliminate Alberta Pacific Pier Corporation Limited, account now operated by Vancouver Harbour Commissioners' Piers.

86190

Absorption of Switching Charges at Westminster, B.C.

(b) When grain is delivered at the Fraser River Elevator Company's Elevator at Westminster, B.C., this company will absorb to the extent of, but not exceeding \$6.50 per car, i.e., \$3.00 per car for intermediate switching service of the British Columbia Electric Railway, and \$3.50 per car for the terminal switching service of the Canadian National Rys.

### RULES AND CONDITIONS

Application  
of Rates

**1-B Cancels 1-A.** (a) Rates in this tariff and as amended are export rates and do not apply as maximum to intermediate points. Rates authorized apply only to countries as shown on title page of tariff when exported by direct vessel, upon satisfactory evidence of exportation to such countries.

**Waybills must be drawn on Vancouver Wharf or Westminster and show clearly that grain or grain products are for export. The name of the elevator in care of which the grain is shipped must also be distinctly shown on waybills.**

C.F.A. 3808

66806-70348

(b) Rates named in tariff and as amended **xx** to Vancouver, B.C., will also apply to North Vancouver, B.C., on the Vancouver Harbour Commissioners Terminal Railway, routing via Vancouver, B.C., and V.H.C.T.Ry.

**xx**The words "from stations Canmore, Alta., Crowsnest, B.C., and east thereof" eliminated.

86437

**Reissued from Supplement No. 7, effective 15th August, 1928.**

Wharfage,  
Handling, etc.,  
at Vancouver,  
North  
Vancouver or  
Westminster,  
B.C.

®**2-B Cancels 2-A.** (a) Rates named in tariff and as amended on bulk grain are exclusive of unloading, wharfage, elevation, storage and handling charges at Vancouver, North Vancouver or Westminster, B.C., also Vancouver Harbour Commissioners' harbour rates at Vancouver, B.C.

(b) Rates named in tariff and as amended on commodities other than bulk grain are entirely exclusive of wharfage, storage and handling charges at Vancouver, North Vancouver or Westminster, B.C., also Vancouver Harbour Commissioners' harbour rates at Vancouver, B.C., or North Vancouver, B.C., <sup>▲</sup>but will include unloading charge from cars to pile at wharves or docks, not in excess of fifteen (15) cents per 2,000 lbs., which shall constitute delivery to ocean carriers.

(c) Shipments handled under this tariff, and as amended, will be subject to demurrage charges as provided for in Terminal Tariffs governing export traffic lawfully on file with the Canadian Railway Commission.

**Effective 1st December, 1932, in Supplement No. 41.**

Charges for  
Extra  
Terminal Service

### 7. Milling, Malting, Storage, Cleaning and Bagging-in-Transit Privileges.

**5-A Cancels 5.** Under this tariff grain may be shipped to stations in the direct line of transit for milling, malting, storage, cleaning or bagging in transit. The grain when shipped to such intermediate cleaning, storage or milling station, will be charged the current local grain rate; and an equal tonnage of the same kind of grain, or products thereof, will be forwarded at the balance of the through rate, in effect on date of original shipment from point of origin of the grain to Vancouver, North Vancouver or Westminster, B.C., plus 1 cent per 100 lbs. for extra terminal service at the elevator or mill.

47066-86437

If the export rate named herein from point of origin of grain to Vancouver, North Vancouver or Westminster, B.C., is less than the local rate from point of origin to cleaning, storage or milling station, and grain or product thereof is re-shipped within six months in accordance with the above, refund will be made to shipper, allowing the difference between the local rate and the export rate, less 1 cent per 100 lbs. for the terminal service at the elevator or mill. Agents will apply to Freight Claims Auditor for clearance of their outstanding.

## GENERAL RULES AND CONDITIONS

1. Freight transported under this tariff is subject, in addition to the rates named herein, to rules and regulations relating to Car Demurrage, Diverting and/or Reconsigning, Switching and/or Interswitching, Weighing and other charges, rules or regulations at points of origin, destination or en route, as published in tariffs relating thereto.

2. **Application of Rates.**—Rates named herein are export rates, and do not apply as maximum to intermediate points. Rates authorized apply only to countries as shown on title page of tariff when exported by direct vessel upon satisfactory evidence of exportation to such countries. Waybills must show clearly that grain is for export.

3. **Terminal Charges at Churchill, Man.**—Rates named herein are exclusive of unloading, wharfage, elevation, storage and handling charges at Churchill, Man.

4. **Commodities.**—Rates on commodities are specific and must not be applied on analogous articles.

5. **Grain in Bulk.**—Grain in bulk shipped under this tariff from stations in Canada must be receipted for on standard bulk grain bill of lading (C.N.R. Form 7006), as approved by the Board of Railway Commissioners for Canada in their Order No. 14591, dated Ottawa, Ont., 18th August, 1911.

**8. Mixed Carloads—**

(a) Mixed Carloads of Bulk Grain—The bulkheading of cars for the shipment of more than one grade or kind of grain will only be permitted on the understanding that the bulkhead is erected at the expense of the shipper, and without injury to the car, and the payment of a fixed charge of 1 cent per 100 lbs. subject to the minimum carload weight applicable on the shipment or actual weight when in excess of the minimum, in addition to the tariff freight rate thereon. Bulkheads when put in must be so erected as not to interfere with the removal of the grain doors. This charge must be shown on the waybill separately from freight and other charges, and be collected upon delivery of the grain.

**Note**—Charges shown above are applicable regardless of the number of bulkheads erected in the car.

(T-1400)

**9. Traffic Subject to Convenience of H.B.Ry. Construction Department**—Traffic will only be handled at the convenience of the Construction Department while on the rails of the Hudson Bay Railway beyond The Pas, Man.

**10. Direct Routing**—Rates published herein applying from stations on the Canadian National Railways to stations on connecting lines, while traffic is on the tracks of the Canadian National Railways, are applicable only over the shortest distance of the Canadian National Railways as provided in Official Freight Distance Table C.N.R. No. W. 100-B, C.R.C. No. W. 662, supplements thereto or successive issues thereof, except as may be otherwise specifically provided, or unless shipments are otherwise handled for railway's convenience.

**‡SPECIFIC RULES GOVERNING MILLING, MALTING, STORAGE AND CLEANING-IN-TRANSIT PRIVILEGES (AT POINTS IN CANADA ONLY) APPLICABLE IN CONNECTION WITH THE TERMINAL AND SPECIAL COMMODITY RATES NAMED ON PAGES 11 TO 23.**

1. **Shippers' Returns to Railway Agent**—Shippers desiring transit privileges must submit signed returns (in duplicate) to the Railway Agent, due September 15th, compiled to September 1st, and due March 15th, compiled to March 1st, showing the following information:

- (a) Balance in pounds each variety of grain in elevator entitled to transit privilege carried forward from previous period.
- (b) Statement of unused cancellations on hand.
- (c) Receipt by rail each variety since previous report, in pounds, gross weight.
- (d) Local receipts at mill or elevator, in pounds, gross weight.
- (e) Outward shipments by rail on transit, in pounds, gross weight.
- (f) Local deliveries grain or grain products from elevator or mill, in pounds, gross weight.
- (g) Balance entitled to transit privilege, in pounds.

2. **Cancellation Expense Bills**—All inward expense bills in excess of balance shown in shippers' statement (Rule 1) (paragraph g), also expense bills which have expired by limitation, must be presented to the Railway Agent for cancellation at the end of each period. Railway Agent will endorse same in ink "Not good for milling-in-transit privilege," after which they may be returned to the shipper for his records.

3. **Duplicate Statements to be Forwarded to Chairman, Canadian Freight Association**—Railway Agent will, on receipt, send duplicate copy of statement submitted by shipper under provisions of Rule 1, to Chairman, Canadian Freight Association, Winnipeg, Man., after affixing his signature certifying that he has checked the statement with his records, and has cancelled surplus inward expense bills as provided for in Rule 2.

4. **Access to Shippers' Records**—The Railway Agent or Inspectors to have access to shippers' inward and outward weight records, invoices, etc., substantiating periodical statements.

5. **Charges for Extra Terminal Service**.—Under this tariff grain may be shipped to stations in the direct line of transit for milling, malting, storage, cleaning or bagging in transit. The grain when shipped to such intermediate cleaning, storage or milling station, will be charged the current local grain rate; and an equal tonnage of the same kind of grain, or products thereof, will be forwarded at the balance of the through rate in effect on date of original shipment from point of origin of the grain to Churchill, Man., plus 1 cent per 100 lbs., for extra terminal service at the elevator or mill.

6. **Waste and Shrinkage**—The following deductions for waste and shrinkage must be subtracted from inward expense bills on presentation for cancellation:

Barley, for malting or sprouting.....16 per cent.

7. **Diversions**—When cars are billed to a specific point and diverted en route to another destination for milling, malting, storage or cleaning, the regulations and charges for diversion, as named in Tariff C.N.R. No. W. 20-H, C.R.C. No. W. 650, supplements thereto or successive issues thereof, will apply.

8. **Waybilling Instructions**—For method of waybilling see Revenue Accounting Instructions issued by General Auditor of Revenues.

9. **Time Limit for Reshipment**—Reshipment must be made within **six months** from date of receipt of grain at milling, malting, storage or cleaning point. If reshipment is not made within six months after date of receipt of grain at milling, malting, storage or cleaning point, regular local rates to and from such point will be charged.

10. **Reshipment One Kind of Grain Against Inwards Billing for a Different Kind**—It will not be permissible to reship one kind of grain, or product of same, outward against inward billing, for a different kind of grain; in other words, wheat, or the product of wheat, may not be reshipped under transit arrangements against inward billing for oats, nor oats, or the product thereof, against inward billing for wheat, etc.

11. **Switching**—On grain and grain products handled under transit privileges above outlined, the switching charges of connecting lines, if any, at transit points will be collected in addition to the rates named herein.
