SINGAPORE.

Dear Sirs,

B/L No. 29742 dated 27.1.61.
200 bundles Malacca Cane
per m/v "Gieng Ann"

10

We refer to your letter of 27th March, under the above heading, ref. CSJ/BILLS, in which you informed us that on 21/3/61 the shipping title documents for the above cargo have been handed over by you to Mr. Poh Hong Siang.

As you are aware the cargo had been held in lighter at consignee's expense, because the consignee originally refused delivery of the cargo. After obtaining the documents from you Poh Hong Siang wrote to us on the 30/3/61 as per copy attached, requesting us to dispose of the cargo to defray lighterage expenses.

20

To avoid further expense we remove the cargo to godown, and have since endeavoured to dispose of it. Despite our best efforts we have been unable to find a buyer and the cane has deteriorated to the extent that it is now worthless. In view of the above we must regretfully hold you responsible, as Agents for the Wah Tat Bank Ltd. Sibu for all expenses incurred during the period that you were titular owners of the cargo, i.e. during the time that the documents were in your possession.

30

Total charges incurred are as follows:-

Lighterage, demurrage and towing charges	\$1,700.-
Coolie hire and lorry charges, lighter to godown	120.-
	<u>120.-</u>
	<u>\$1,820.-</u>

The goods were landed ex ship tackle on 2/2/61. The documents were released by you on 21/3/61. The cargo remained in lighter for a total of 57 days and you were owners of the cargo for 47 days.

We are therefore holding you responsible for a share of the charges amounting to \$1,500.71.

Our bill for this amount will follow in due course.

10

Dear Sir,

Your B/L No. 29742 dated 27.1.61.
200 bundles Malacca Cane
per S.S. "Giang Ann"

With reference to your letter of 13th
instant, we are instructed by our principals
to say that the shipper himself was in
Singapore to take delivery of the goods
against his surrender to you of the Mate's
Receipt and that any outstanding lighterage
and charges should have been settled by the
shipper with you, as is the normal rule,
otherwise you should not have allowed
delivery of the goods. If delivery of the
goods is allowed without payment of out-
standing lighterage it is your fault and
you do it at your own risk.

20

However, we are given to understand
that the shipper has approached your agents
in Sibu, the Borneo Co. Ltd., who have
promised to do their best to help settling
this matter by writing to you.

Dear Sirs,

M/R No.29408 m/v "Giang Lee" Voy.6/61
114 Ties Malacca Cane

10

Further to our conversation of today's date, we are most anxious that the above matter should be settled as quickly as possible. We have therefore approached the consignee and have been able to collect from him a cheque for \$420.- against outstanding charges. We now enclose this cheque in final settlement. We should appreciate your receipt in due course.

Our B/L 29742 "Giang Ann" Voy.2/61.
200 bundles Malacca Cane

20

We still await an answer to our letter D3/7/61 of 30th June.

In the meantime, we have reconsidered this matter in an endeavour to arrive at an acceptable solution. As a mark of goodwill towards your Principal, the Wah Tat Bank Sibn, we are now prepared to amend our claim, on the basis of a 50% division of the outstanding lighterage and demurrage charges.

30

Total expenses todate amounts to \$1,820.- and your Principal's share of this would therefore be \$910.-.

We make this offer, without prejudice to our legal claim on your Principal and should be grateful if you would take up the matter with the Wah Tat Bank Sibn and advise us on their reaction.

Yours faithfully,
for HEAP ENG MOH STEAMSHIP CO.LTD.

Dear Sirs,

We have, through an oversight, billed you for freight on three shipments of 44 (forty-four) cases Beer in pints from Singapore to Kuching at 79 cts. instead of \$1.80 per case, thereby resulting in an undercharge of \$44.44 for which we are enclosing an Supplementary bill of 2nd September, 1960 to support.

Dear Sirs,

Tiang Aik Shipment

We thought it advisable to cable you
this morning as per copy of cable attached.

2. We were unsuccessful in obtaining the
invoices from Tiang Aik but as Customs were
prepared to release the cargo and agents for
"Hua Li" had already been given instructions
to hand over the beer we signed a Cargo
delivery Guarantee and took delivery yesterday.

20

3. Tiang Aik Still refuses to hand over the
documents to us, and says he intends taking
action against "Hua Li" agents for wrong
delivery. However we understand that the
lawyers have suggested they wait until a reply
from you is received as we understand he has
sent you another cheque. No doubt you would
take action against him for the R/D cheque if he
were to cause any trouble with the Rejang
River United Steamship Co., Ltd.

30

4. We trust that you can send by to-
morrow's mail the necessary invoices as these
still have to be presented to Customs.

Yours faithfully,

Dear Sirs,

Tiang Aik's Shipments
ex Hua Li

We do not wish to cause you undue inconvenience but we must ask you to send us fresh invoices for the 2 shipments covered by your Debit Note EXP 30/60.

Tiang Aik has refused to hand us anything and Customs kindly allowed us to take delivery without documents. If we had not done this - Godown rent would be mounting but now we feel we must give Customs the Invoices without further delay to avoid any possible embarassment.

Dear Sirs,

AGENCY - MALAYAN BREWERIES LTD.

10

We have recently reviewed our trading
arrangements in Borneo.

In the light of prevailing conditions,
we have decided that it is necessary for us
to make a number of changes in our
distribution arrangements, and regret to
inform you that your agency appointment will
be terminated on the 30th April 1960.

In view of the above development, we
will not now be shipping your order in hand
and have pleasure in enclosing herewith our

10 The Manager,
Messrs. Malayan Breweries Ltd.,
Singapore.

Dear Sir,
Agency - Malayan Breweries Ltd.

We acknowledge receipt of your letter
Ref:EX/358/60 dated 27th April 1960 and feel
very much surprised to note your decision to
terminate our agency appointment on 30th
April, 1960.

20 To our regret we have been waiting in
vain for the fresh shipment of our order
which we have placed nearly a month ago.
But instead of acting what you have promised
you suddenly take such a drastic action to
terminate our agency by sending us a cheque
for \$4,517.30 being balance of our account
with you. Undoubtedly your measure is very
unfair to us especially we already have such
a long business relationship and also making
30 us in a very embarrassing position for we
have already booked the requirements of our
customers before the order is placed.

We therefore sincerely hope that you will
re-consider your decision and your early
reinstatement of our agency will be greatly
appreciated. We must add that our business
relationship has already existed for a long
time and we believe it is our common aim to
see that this cordial connection can be
continued without interruption.

40 Looking forward to receiving your
favourable reply and thanking you in advance.
