FARES RURAL CO. PTY. LTD.

Plaintiff

and

METRO MEAT LIMITED

Defendant

I KENNETH DINGWALL of 71 Mount Osmond Road, Mount
Osmond in the State of South Australia, being duly
sworn MAKE OATH and say as follows:-

1. I am the Managing Director of the Defendant Company. 10
2. Since March, 1974 I have had business dealings
with RACHID FARES concerning agreements for the sale
of carcass meat by the Defendant to RACHID FARES
ENTERPRISES. Such agreements have usually been confirmed
by letters and telexes between the Defendant and Rachid
Fares on behalf of Rachid Fares Enterprises.

3. At no time during the course of this business
relationship has an agreement with FARES RURAL COMPANY
PROPRIETARY LIMITED for the sale of carcass meat been
entered into. The only dealing which the Defendant 20
has had with the Plaintiff has been in relation to the
loading of meat onto ships for export in fulfilment of
the sale agreements entered into with RACHID FARES
ENTERPRISES and in the supply of live sheep.

4. On the 2nd July, 1979 I discussed with Rachid
Fares on behalf of RACHID FARES ENTERPRISES the
supply of carcass meat for export to Iran. I had
previously spoken to Rachid Fares on the subject of the
supply of lamb and hogget for export to Iran when I was 30

ASP64.A THAP/2.2

in England in May, 1979. At this time we were thinking in terms of 15,000 tonnes only at US\$1500 per tonne for lamb and US\$1350 per ton for hogget. We eventually agreed on the 2nd July 1980 that the Defendant would supply 20,000 tonnes (plus or minus 10%) of lamb and hogget at a price of US\$1,375 per tonne for lamb and US\$1,230 per tonne for hogget, such price to include a rebate of \$30 per tonne to be repaid to the Defendant in the event that the meat was discharged from the ships carrying the goods within a certain period. I understood and believed that Rachid Fares was negotiating on behalf of RACHID FARES ENTERPRISES as he had done in the past.

10

5. Now produced and shown to me and marked "KD-1" is a photocopy of a telex dated the ⁴3rd July 1979 from Rachid Fares to the Defendant which purports to set out the terms of the agreement reached. The contents of that telex are inaccurate in that the quantities of lamb and hogget are stated to be 13,200 tonnes and 8,800 tonnes respectively and not 10,000 tonnes and 8,000 tonnes plus or minus 10% as agreed and that the rebate is spoken of as a bonus and in terms of it being paid at the discretion of Rachid Fares. Now produced and shown to me marked "KD-2" is a photocopy of a telex dated 2nd July 1979 from Mr. Ian Phillips of the Defendant which was sent after I had told him of my conversation with Rachid Fares which plainly showed that the basic figure was 20,000 tonnes plus or minus 10%.

20

6. I believe that the telex marked "KD-1" was sent by Rachid Fares on behalf of Rachid Fares Enterprises.

ASP64.A THAP/2.2

7. Now produced and shown to me and marked "KD-3" is a photocopy of a telex dated the 19th July, 1979 from the Defendant to the Plaintiff. That telex was sent at the request of Mr. Villegas a principal of Rachid Fares Enterprises and was a re-transmission of the contents of the telex which Rachid Fares had sent to the Defendant on the 3rd July, 1979.

8. Now produced and shown to me and marked "KD-4" is a photocopy of a letter of credit dated the 4th September, 1979 showing the Defendant to be the beneficiary and Rachid Fares Enterprises to be the applicant. Two earlier letters of credit issued by Rachid Fares Enterprises were unacceptable to Metro Meats as the beneficiary named therein was the Plaintiff. It is my belief that the Plaintiff wished to be regarded as the Purchaser of the carcass meat in the agreement reached between Metro Meat Ltd., and Rachid Fares Enterprises on the 2nd July, 1979 as the purchase of that quantity of carcass meat would strengthen the Plaintiff's position in negotiations with Meat Workers' Unions as to the export of carcass as against live sheep.

9. Now produced and shown to me and marked "KD-5" is a bundle of documents comprising Invoices, Bills of Lading, Certificates of Origin, Certificates of Halal Meat, Commonwealth of Australia Certificates in respect of the freight of hogget and mutton on the "Almeria Star" from Adelaide (15.9.1979) and Fremantle (23.9.1979) all of which documents are in the name of Metro Meat Ltd. and Rachid Fares Enterprises.

10. Now produced and shown to me and marked "KD-6" is a bundle of documents comprising Invoices, Bills of Lading, Certificates of Origin, Certificates of Halal Meat and Commonwealth of Australia Certificates in respect of the freight of hogget and mutton on the "Almeria Star" from Adelaide (17.11.1979) and Fremantle (28.11.1979) all of which documents are in the name of Metro Meat Ltd. and Rachid Fares Enterprises.

11. Now produced and shown to me and marked "KD-7" is a bundle of documents comprising Invoices, Bills of Lading, Certificates of Origin, Certificates of Halal Meat and Commonwealth of Australia Certificates in respect of the freight of hogget and mutton on the "Almeria Star" from Adelaide (17.1.1980) and Fremantle (5.2.1980) all of which documents are in the name of Metro Meat Ltd. and Rachid Fares Enterprises.

12. I have always understood and believed that the agreement of the 2nd July, 1979 as in the case of the earlier agreements for sale of carcass meat was entered into with Rachid Fares Enterprises as Rachid Fares held himself out as representing that organisation and not with the Plaintiff and I have been advised by my solicitors and believe that the Plaintiff is not a party to the agreement of 2nd July, 1979 and cannot therefore seek to sue on it.

DOCUMENT 92* - Plaintiffs Exhibits -
 Exhibit "83" Affidavit K.Dingwall
 20 February 1981

4. I travelled to Australia for this purpose and commenced to oversee the execution of this contract, which task involved ensuring that the meat supplied thereunder was in conformity with the specifications provided for in the said contract. This work entailed checking age, sex, weight, manner of cleaning and the like as well as ensuring that the conditions of killing and packing conformed to acceptable standards of hygiene.
5. Although I do not have a copy of the written contract between the Iranian Meat Organisation and the Rachid Fares Organisation, I have seen a copy telex of 19th July, 1979 (a copy of which is hereto annexed and marked with the letter "A") and the quantities and specifications set out in that document under the heading "C Specifications" are identical with those contained in the contract executed by the Iranian Meat Organisation. 10
6. In the course of these duties I visited abbatoirs at Geraldton and Katanning in Western Australia, Cootamundra in New South Wales, Peterborough and Nouralunga in South Australia at each of which abbatoirs production of lamb and hogget was being carried out by Metro Meats Limited in connection with the said contract. 20
7. In late November 1979 I visited Adelaide for the first time to inspect the abbatoirs there and I met a number of representatives of Metro Meats Limited including the Managing Director of that Company, Kenneth Dingwall. At this first meeting Kenneth Dingwall said to me "we are finding it difficult to supply lamb and hogget because prices are rising and the cost to us is too high. I am going to speak to Mr. Fares about it and tell him that we do not think we can continue this contract because it will cost too much." 30
8. I subsequently observed during my visits to the abbatoirs listed above that production of lamb and of hogget was decreasing although production of mutton remained constant.

9. In early March 1980 I spoke to the Deputy Manager employed by Metro Meats Limited at the Katanning abattoir as I observed that no lamb and hogget was being produced. I said "why are you no longer killing lamb and hogget?" and the Deputy Manager whose name I no longer recall replied "we have had a telex from Jack Ware telling us not to stamp any more lamb or hogget with the the Iranian Meat Organisation stamp". I said "why is that?" and he replied "I do not know, that is the direction I have had".
10. In early March 1980 I spoke to a Mr. Max Bones, the Manager employed by Metro Meats Limited of the abattoirs at Geraldton after I had observed that mutton being produced at the abattoirs was being stamped by employees of the abattoirs with the official Iranian Meat Organisation stamp. I said to Mr. Bones "why is this mutton being stamped with our stamp?" and he replied "I do not know, you will have to speak to Mr. Dingwall". 10
11. I thereupon telephoned Kenneth Dingwall in Adelaide and said to him "why is mutton at the Geraldton abattoir being stamped with the Iranian Meat Organisation stamp?" Kenneth Dingwall replied "I have been in Teheran early this month and we have signed a contract with the I.M.O. for 11,500 tonnes of mutton and 500 tonnes of hogget." I said "what about the lamb and hogget", Kenneth Dingwall replied " we are not going to produce any more lamb and hogget at the moment the cost is too dear. We will be producing the lamb again in about six months when the new season starts". 20
12. I subsequently saw a contract (a copy whereof is annexed hereto and marked with the letter "B") which contract bears the signature of Kenneth Dingwall and is dated March 1980.
13. As I observed that no lamb or hogget was being allocated to the Iranian Meat Organisation under the Fares contract I contacted officials in the Iranian Meat Organisation and subsequently left Australia to return to Iran on the 1st. or 2nd. of June 1980. 30

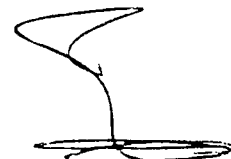

14. I was subsequently reappointed to oversee production by Fares Rural Co. Pty. Limited of further lamb and hogget produced under the Fares Organisation's said contract with the Iranian Meat Organisation and to oversee a further contract for the production of mutton which that organisation had entered into with the Iranian Meat Organisation at about that time.
15. I accordingly arrived back in Australia on 24th October 1980 at which time I inspected the S.S. "Fares Reefer" which vessel was then partly laden with lamb and hogget produced by Fares Rural Co. Pty. Limited, and which was at that time loading mutton under the said contract for supply of mutton. 10
16. I subsequently remained in Australia overseeing the production of the balance of the mutton produced by Fares Rural Co. Pty. Limited under the said contract.
17. The conditions obtaining in Iran at the present time are occasioning problems in unloading cargo at the only port presently operating, Bandar Abbas.
18. I have been recalled by my superiors to Teheran and I am leaving Australia on 31st. July 1981. It is unlikely that I will return to Australia for some considerable time, if at all. 20

Q.1 Refer to paragraph 3 of the Statement of Claim:-

(A) As to the allegation that the oral contract was made between the First Plaintiff and the Defendant, did the Second Plaintiff in the course of the discussion between himself and Dingwall state that he was acting solely as agent for the First Plaintiff?

DEFENDANT'S ANSWERS TO INTERROGATORIES ADMINISTERED 10
BY THE FIRST AND SECOND PLAINTIFFS

I, KENNETH DINGWALL of 71 Mount Osmond Road, Mount Osmond,
South Australia, Company Director, having been duly sworn MAKE
OATH AND SAY:

1. I was at all material times the Managing Director of the
Defendant and am authorised to make this affidavit on its
behalf.

2. In answer to the Plaintiff's interrogatories I say as
follows:

Question 1:

20

Look at Particular (b), paragraph 2(iv) of the re-amended
Defence. How many written contracts had been entered into
before 2nd July 1979 between the Defendant and either the First
Plaintiff or Second Plaintiff or both relating to the sale of
live sheep or carcasses? Please provide us with copies of the
documents which constituted the contracts.

Answer 1:

(1) To the best of my knowledge no written contracts have ever been entered into between the First Plaintiff and the Defendant.

(2) There have been 3 written contracts entered into between the Second Plaintiff and the Defendant as follows:

- (a) Agreement on Mutton and Live Sheep Shipments from Australia (5th April, 1974).
- (b) Contract Sale of Mutton to Iran (8th April, 1974).
- (c) Contract of Sale of Live Sheep to Iran (8th April, 1974).

(3) Copies of all such agreements have been supplied to the Plaintiff's solicitors.

Question 2:

Look at paragraph 3 of the re-amended Defence. Upon what facts does the Defendant rely to support its assertion that the Second Plaintiff was not acting as the agent of the First Plaintiff in making the contract referred to in that paragraph?

Answer 2

(1) Contracts for the supply of live sheep and carcass meat between the Defendant and the Second Plaintiff have always been on the basis that the Second Plaintiff was acting as principal. 20

(2) No reference was made in the telephone conversation between Dingwall and Fares on the 2nd July, 1979 (at which time the contract was concluded) to the First Plaintiff either as a party to the contract or at all.

Question 3

Look at paragraph 2(ii) of the re-amended Defence. In respect of the Defendant's assertion that the agreement that the contract price for hogget was US\$1,230 per tonne was reached subsequently to the making of the oral contract referred to in interrogatory number 2:-

- (a) How long after the making of the oral contract does the Defendant assert the agreement was reached?
- (b) Was the said agreement reached orally or in writing?
- (c) If in writing please provide us with copies of the documents which constituted the said agreement. 10
- (d) If orally between which natural persons on behalf of buyer and seller was it reached?
- (e) If orally what was the substance of the said agreement?

Answer 3

The oral contract was made on the 2nd July 1979 between Dingwall and Fares at which time the price for hogget was established at \$1,225 per tonne.

Question 4

Look at the telex dated 3rd July 1979 annexed hereto and marked 20 "A". On what date did the Defendant receive the said telex?

Answer 4

The copy telex marked "A" was not sent to nor received by the Defendant. That telex was a transmission of a telex sent by Fares to the Defendant and received on the 4th July 1979.

Question 5

Look at paragraph 3 of the re-amended Defence and at the telex dated 19th July 1979 annexed hereto and marked "B". In what circumstances does the Defendant assert that the said telex came to fail fully or completely or accurately to evidence the contract referred to in interrogatory number 2?

Answer 5

(1) The copy telex marked "B" was sent by the Defendant to the First Plaintiff at the specific request of the Second Plaintiff to transmit to the First Plaintiff a copy of the telex sent by the Second Plaintiff to the Defendant on the 4th July 1979 (being copy Telex "A").

- (2) The context of that copy telex was inaccurate in that:
- (a) The correct quantities, prices and deliveries were as pleaded at paragraph 2 of the re-amended Defence.
 - (b) The so called "bonus" was never agreed as being a matter of the discretion of the ^{Second} ~~First~~ Plaintiff.

Question 6

Look at paragraph 5(b) (ii) of the re-amended Defence. In respect of the oral agreement asserted by the Defendant to have been made in January 1980:-

- (a) On what date does the Defendant assert the said agreement was reached?
- (b) Between which natural persons does the Defendant assert the said agreement was reached?
- (c) What was the substance of the said agreement?

DOCUMENT 61* - Plaintiffs Exhibits -
Exhibit "52" Defendants answers to
interrogatories sworn by K. Dingwall -

- (b) Dingwall and Fares.
- (c) Fares agreed to contribute \$125 per tonne to the cost of the Defendant purchasing 900 tonnes of lambs from the W.A.L.B.

Question 7

Look at paragraph 4 of the re-amended Defence. Upon what facts does the Defendant rely to support its assertions that payments made to it under the contract referred to in interrogatory number 2 were made by the Second Plaintiff? 10

Answer 7

Each and every payment made under the Contract was made by way of letters of credit opened in favour of the Defendant by order of the Second Plaintiff on its bank (the Continental Illinois Bank, Zurich).

Question 8

Look at the particulars under paragraph 14 of the re-amended Counter-Claim. From whom did the Defendant receive the payment of US\$116,383 on 5th March, 1980? 20

789

Answer 9

The Defendant temporarily suspended further purchase of lamb and hogget on the 17th January by reason of the proposed trade sanctions in Iran. On about the 3rd February 1980 a decision was taken to continue the suspension until the question of the payment of the rebate and the purchase from the West Australian Lamb Board referred to in a telex to the Second Plaintiff of that date was resolved.
