EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations impose restrictions on flying in the vicinity of East Anglia, the North Sea, Essex, Kent, Surrey, Berkshire, Buckinghamshire, Oxfordshire, Gloucestershire, and Wiltshire for a flypast of aircraft to commemorate the Platinum Jubilee of Her Majesty The Queen that is scheduled to take place there on 2nd June 2022. As timings for this event are critical and the formation may not be able to take effective avoiding action, the Civil Aviation Authority and the

Department for Transport agree that flying should be restricted in the vicinity of the relevant areas to avoid the risk that transient aircraft may disrupt the formation.

The term “Flight Level” is defined in Schedule 1 to the Air Navigation Order 2016 (S.I. 2016/765) as one of a series of levels of equal atmospheric pressure, separated by notified intervals and each expressed as the number of hundreds of feet which would be indicated at that level on a pressure altimeter calibrated in accordance with the International Standard Atmosphere and set to 1013.2 hectopascals.

The times mentioned in regulation 3 are Co-ordinated Universal Time (UTC) which is one hour behind British Summer Time (BST).

In relation to regulation (3)(10)(b), the Stapleford Aerodrome Traffic Zone is the area defined in the United Kingdom Aeronautical Information Publication EGSG AD 2.17.

In relation to the permission mentioned in regulation 3(13)(b), Royal Air Force Platinum Jubilee Flypast Project Officer may be contacted on telephone number 03001-578648 or 07870-390860.

Full details of this Statutory Instrument will be promulgated by Aeronautical Information Circular (AIC) and Notice to Aviation (NOTAM).

The point of contact in the Civil Aviation Authority is Mr S J Maxted, Airspace Regulator, Safety and Airspace Regulation Group, on telephone number 03301 383216.
